## Co-Applicant Approval Form

### Re: Change Approval and Notification (Changes In and About a Stream)

The owner of the property at \_\_\_\_\_ is proposing to apply for a Change Approval and Notification (Changes in and about a Stream) Application and has identified you as a co-applicant. In order for the application to be accepted by government, you are required to provide your authorization to apply as a named party.

For your approval, please review the application materials before completing and signing this form. Once signed, this letter is to be returned to the applicant as the applicant is responsible for submitting this letter as part of the application package to government.

Please also review the following important notices for this application:

- I understand that the submission of this application does not provide authority under the Water Sustainability Act to construct works in and about a stream. I also understand that my application must first be investigated and a decision made on the application as to whether an approval may be granted and, as part of that review, additional information may be requested of me.
- The application may be subject to further requirements under the federal Fisheries Act. Please refer to Fisheries and Oceans Canada Projects Near Water webpage (<http://www.dfo-mpo.gc.ca/pnw-ppe/index-eng.html>) for information on how to ensure your project complies with the Fisheries Act.

By signing this form, you are agreeing to the terms and conditions as specified in the application form that the applicant will be submitting on your behalf. If there are any errors, omissions, or statements you do not agree with, please advise the applicant and address your concerns through them.

Please provide the following personal information to complete the application package.

*Last Name	*First Name	Middle Name
*Phone number (       )	Daytime Phone Number (       )	Fax Number
